

## Year 4 Recommended Reading List

This list is intended to be a guide to books suitable for children in Year 4. The list, covering a range of genres, is drawn from a number of sources including Brookland pupils. Some of the texts are more difficult to read than others and care should be taken to help your child choose those which they will enjoy. Please discuss the books with your child and remember it is also valuable to continue to read books to your child as they move through the junior school.
