

## This Week:

We have had a wonderful time as authors of our own stories. There are now 360 unique, engaging and very imaginative stories which we are looking forward to sharing with you at parents evening. Thank you to Miss Davies for leading our World Book Day assembly and creating a really inspiring writing project.

We were very fortunate to have a professional author, **Ewa Jozefkiewicz** visit us on Thursday. Ewa asked to visit Brookland again after enjoying her visit in 2022 so much. Her talk was fascinating and we learnt a lot about crafting characters and settings using our own personal experiences. Year 4 were really fortunate to have a writing workshop with her as well.

We have also been putting the finishing touches to our large scale Eco City maps- do look out for these when you are in school next week.

*"In RE, we explored the different religions in Barnet and made comparison to the rest of London. We read Jo Cox's quote, 'We have far more in common than that which divides us.', we learnt tolerance & patience is important."* Alba 6D

## Golden Sentences in Big Writing this week:

"A Journey to India: Once upon a time, there was a girl named Irene. She was going to India, her country. .... After a long journey she arrived in India, she called a taxi. ... She could see different types of trees, lots of shops and the traffic. She felt happy. The smell was so good and also there was street food, special types of coconut like coconut drink, coconut pieces etc. the flowers' smell was so good. The bees were trying to get honey from the flowers. The dress was sari, top & jeans, etc. Today India is so good. Also the saris and the dresses are more colourful than England. She went inside a shop to buy a dress for her grandma. She bought a beautiful sari for her grandma because her grandma likes saris. Her grandmother did not know she was coming" Irene 6L

"Imagine you meet your hero! Imagine you could do something you enjoy with them!!!! What would you say???? What would you do???? Imagine you create something with them!!!! One day I decided to walk to the library since the sun was shining so bright you could mistake it for a diamond." Elsa 6L
