This Week:

Huge congratulations to our fabulous year 6 on completing their SATs showing off their Brookland Values and Learning Skills as well as their Maths, Reading, Grammar and Spelling knowledge. Your determination, maturity, courage, quality, responsibility, thoughtfulness for each other and positivity has been exceptional and shows you are very nearly ready to move on to secondary school. You are quite rightly proud of who you are and the whole staff team is very proud of all 91 of you! Thank you to all the staff who have been involved in running and administering the SATs so smoothly and calmly and thank you to our governors for overseeing this. Thank you of course to our excellent year 6 teaching and teaching assistant team who have done a superb job all year supporting and challenging each child to be the best they can be! Thank you to Mrs Pejakovic for the pancakes part of a well-earned much more chilled end to the week.

Thank you also to 5A and 5AM who loaned their classrooms to year 6 for the tests this week, using the hall as a double classroom. They have enjoyed the opportunity to work with different children and adults though and continued to work very hard!

First Day of Arts Week:

Today Mr Greenhouse led an inspiring assembly about the Olympics, Olympic and Paralympic Values introducing our 2024 Brookland Junior School Arts Week. We congratulated Jamie in 4S on having his Art selected from 21,000 entries to be displayed both on line and in the gallery of the Royal Society of Art. We are especially proud that his print was created in school as part of his year 3 project with our hugely talented Ms Knight! A huge thank you to Mr Greenhouse for his time, talents and creative thinking preparing another fabulous Arts week for 360 children. Thank you to our parents for your contributions towards art resources and visiting artists.

"To start Arts Week 2024, we made works inspired by the artist, Keith Haring with the theme of Olympic Sports." Adam 6P

"Today we began our annual Arts Week and our theme is the Olympics (which are taking place in France this summer). This afternoon we created Olympic style artworks inspired by Keith Haring's doodles. We liked how Haring uses 1-3 colours only and the simplicity of his artworks." 4R
