

Friday 14th June 2024

This Week:

PGL:

We are so proud of our Year 6 cohort who showed such determination, resilience, caring and teamwork throughout their trip. They grew in their independence, pushed themselves through the activity challenges to succeed and had a LOT of fun together. The staff took hundreds of photos of the children at PGL and we are sorting through them now we are home. We'll post a slideshow for year 6 parents as soon as we are able to and share some reflections from the children with you next week once they have had a good rest! Miss Davies

Thank you to the wonderful staff team for giving up their families and homes for a few days to accompany the children. They also had fun and need a good rest! Thank you to everyone back at school who covered roles as well.

In assembly this week we thought about the British Value of Tolerance and Mutual respect, learnt about the events and speeches marking the 80th anniversary of D Day, explored what a General Election means and discussed, "is voting the best way to change things?"

On Tuesday morning, we went to Verulamium Museum. We got on the coach and it took about 40 minutes to get there. We started our trip with a lovely workshop where we travelled back in time to the Roman market. We got to put on the Roman clothes called Tunics and Togas. We were given a shopping list and we needed to find the items from each stall. After we finished the workshop, we ate our lunch at the lunch hall. After lunch, we got into groups and explored the gallery around the museum. After that, we went outside to visit the hypocaust which is the floor heating that the Roman invented. The Roman mosaics were amazing and the trip was wonderful. *"We all thought the trip is amazing and we really enjoyed our time there!"* Aaran 3G

Our Movie Night with Miss Clayton (Prize from the PA auction):

"We really enjoyed our movie night because it's Miss Clayton; and because we got tons of yummy treats & pizza & wedges from Domino's. We watched The Barbie Movie, played games on the computers then finished off with a group game." By Jodie, Nourah & Maya 5E

Also This Week:

"On Wednesday morning, Year 4 had a guest visitor called Sally come in, to talk about her way of life as a Humanist and discuss moral dilemmas. We are learning about Humanism in RE this half term. We found it interesting that Humanism revolves around Science, that Humanists celebrate Darwin Day, (after Charles Darwin) and that they don't believe in the Afterlife. We liked that Humanists believe in 'empathetic kindness' and found it interesting that they believe in 'Rational Thinking'. We learnt that the Humanist motto is: 'Think for Yourself, Act for Others'." Sofia A, Myla and Robin 4R

"On the 12th June 2024, a humanist speaker came to Brookland Junior School. We were really interested in the questions. The questions were focused around the golden rule, "Treat others the way you want to be treated." She had some really interesting scenarios that got us thinking. Year 4 gave a big thanks to Ms Musani for organising the speaker. Having a real humanist in front of us was fascinating. THANK YOU!" Alice, Eben & Hosna 4S

Golden Sentences:

"Breaking News: A crime was held on Monday the 27th May. The crime took place at grandma's little cottage in the forest. A starving wolf bashed into grandma's cottage. Grandma screamed: 'You're going to eat me.' Grandma was right; she was eaten in one bite!" Miley 3G

"On the 5th of May, a horrific crime scene: The wolf knocked on the door of grandma's dwelling. The wolf ate a big bit of grandma." Sudais 3G

"Yesterday, 13th July 2016 there was a terrible angry & hungry wolf showed up to a little cottage where grandma lived." Lottie 3HD

"How to Be Calm & Positive: Being not positive & calm can affect our feelings & behaviour but there are ways to prevent this from happening.

Talk to A Trusted Adult: If you are not able to be calm & positive, you can talk to a trusted adult if you have a problem or you are worried about something that has happened."

Hobbies: Do you have a hobby? If you do, that's great because it can make you happy or take your mind off something which might have affected you mood in a negative way" Iason 5AM

"Razor sharp sword-slicing sacred shifting blades like the teeth of a lion drew back as the shark snarled viciously while showing their pitch black eyes and ivory teeth." Tamar 4S

"In the depth of the ocean, a deep voice whispered 'Who are you in my sacred dimension?' or should I say 'How are you in my sacred realm?'" Zak 4S

Brookland Junior School News

Friday 14th June 2024
