This Week:

In assembly this week, we prepared for mini market, learned about the democratic process of our national elections and thought about our Brookland Value of Gratitude. The children impressed their teachers for next year with their excellent behaviour during our class swap afternoon.

"We joined thousands of schools online with Picture News who interviewed the record-breaker, long jump Paralympian, Stef Reid. She told us about her artificial leg and how it works. She taught us about how your dreams and plans can change but you can always find a different way and follow new dreams. She said that if something like 10km seems too much, break it up into smaller chunks and take a small step at the time. It was really inspiring to hear her speak and we learnt lots about the Paralympics and that it doesn't matter what happens to you, all that matters is if you believe in yourself and surround yourself with people who believe in you." 4S

We held our termly Whole School Meeting this week to review each of our subjects and reflect on the most effective ways to remember information and skills for the long term. As always the children had so many thoughtful comments and excellent ideas to help us continue to evolve our teaching and learning.

The Junior school computing club met up with the year 2 computing club to share projects and learn together.

Our Mini Market Day:

Despite the rain, we had a brilliant Mini Market charity day. The children showed impressive teamwork, creativity, confidence and kindness to each other and had a LOT of fun! Thank you to our parents for their support with this very special Brookland event and for their generosity. The money raised is allocated by School Council to a charity of the children's choice and a project within school too.

Community International Food Tasting Event:

On Tuesday afternoon (9th July), we are holding a Brookland Community International food tasting event. Thank you to those parents who have already let the PA know what they are able to contribute. We'd love to get even more delicacies to try!

- If you are able to make/buy a dish for children at Brookland to try, please let the Brookland Junior PA team know.
- Absolutely no nuts or seeds please.
- All food must have ingredients displayed.
- Each child will be able to try a small taster of your dish. Food can be dropped off via the school office on Tuesday morning or by 1:30pm in the afternoon.
- Children may also come to school wearing clothes that represent them.
- We're very excited to be trying new foods and learning more about the world around us and our community.

You are special and we want to celebrate it!

The kids will be having an International food tasting during school time.

We need your dishes!

Kids let's make it festive...

Wear your own clothes that represent you!

Dr Bike:

Due to the success of the Dr Bikes in Barnet, particularly among parents/carers and children, these will be running again from July, at the locations/dates/times listed in the table below on a rotating basis each month: The free Dr Bike sessions will be run by qualified bicycle mechanics. Members of the public can take along their bicycles to have a free, full safety check, which includes the condition of tyres, rims, gears, brake function and tyre pressure and adjustments can be made if required, all for free.
