This Week:

Well done 6P for your wonderful class assembly about the experience of evacuation for children during the Second World War and for helping the school to mark Remembrance so thoughtfully. You were a superb team, your dancing and singing was excellent and your acting really helped us all imagine what it might have felt like to be a child at this time in History. Your families and the whole school were very impressed and proud of you!

Parent Maths Workshops

Thank you to all the parents who were able to attend the Maths Workshop with Miss Lally to explore how to support our children to build their number fluency and to learn times tables. Thank you to Miss Lally for her expert knowledge leading our Maths teaching and learning. The presentation and the games from this session has been shared with all year 3 and 4 parents.

Miss Lally is holding a workshop for year 5 and 6 parents about how you can support your children with their maths fluency on Wednesday 19th November at 9am in the Library. Please do come if you can. Flyer attached with the newsletter.

"On Thursday, The Girls' football team went to a friendly match against King Alfred's School. In the first half they scored but we kept our hope up and soon it was 1-1 with a marvellous goal by Harper. We kept going and when the whistle blew for half time it was 2-1. In the second half we were on fire! With the amazing coaching from Mr A, the Brookland Girls' Football team went home victorious with and end score of 7-2." Mika & Anna 4K

"When The Mixed Football team got there, we were nervous but excited when the match started, we defended really well and our attacking wasn't the best because we were playing on mud for the first time but we didn't give up but then a couple of minutes before half time, they scored. In the second half, we playing better but we were struggling for a goal but they scored another goal that sealed their win at 30 seconds to go. The match ended and we lost 2:0 but a speech Mr A gave us told us that it doesn't matter if we win or lose, it's how we play." Adem & Tamir 4JS

Missed the Flu Vaccine at School?

Vaccination UK is running catch-up clinics for children who missed their flu vaccine. Scan the QR code on the [attached poster](#) to book an appointment. Let's stop the flu—vaccinate your child and protect your community!

A true star!

Congratulations to Maya for her exceptional dancing achievements. Here she is at the Blackpool Grand Final where she took part in both the Ballroom and Latin dance competitions.

In her age group she achieved 3rd place in Latin and 5th in Ballroom for the whole of the UK!

Next Week: Power for Good anti bullying focus week

Next week, the whole school will be taking part in the National Anti-Bullying campaign where this year's theme is 'Power for Good'. Our children will take part in a range of activities designed to educate children about bullying behaviours and how to deal with all forms of bullying. We are focusing on celebrating our sense of community and exploring ways that all ages in school can support each other and look after each other. Thank you to Miss Christie and Miss Davies for planning a really engaging, positive and thoughtful focus week. Please would you help us celebrate the power of kindness with a short family task at home. We will be sending your child home with a kindness jar template for our families to decorate with all the kind acts that we do each day. These will be celebrated in class. If you're feeling creative, you could create a real kindness jar and bring that in!

Monday is ODD SOCKS DAY so let's see how individual we can all be! It's ok if your child chooses not to wear odd socks of course.

Golden Sentences:

"Yesterday afternoon, 2pm, at the dragon cliffs on the interesting Isle of Berk, a deadly test of bravery & courage took place. It is reported a group of 11-year-old boys had to take part in dragon initiation trial." Vy 4K

"The boys make the perilous climb to the dragon's nursery to get their dragons to finish the first part of the dragons' initiation test. All the boys had their dragons. Hiccup had a common brown. One moment later, Fishlegs had four gigantic sneezes. Hiccup shouted: RUN!!" Zuri 4JS

"It is believed that Fishlegs one of the smaller boys sneezed and woke the 3000 dragons hiding in the nursery. 'I couldn't hold it! I have reptile allergies.' said Fishlegs as he started scratching." Benji 3G

"Who knows what's going to happen next. Will they get banished out of the tribe and what's going to happen to the chief's son when he finds out all of this?" Denver 4JS

"Helping the war effort: Kids were collecting money & knitting items. Some kids acted as messengers. Kids that stayed at home helped with housework. Boys had to act like the man of the house since the dad was at war." May 6L

"Glenn Miller was an American big band conductor and his band was loved. People would relax and dance to his music. Bud Flanagan wrote a song which boosted everyone's spirits." Hannah 6L
